

SYDKUSTENS **Pillehill** BRASSERIE & VINBAR GÅRDSHOTELL

Sydkustens at Pillehill is looking to employ a Chef, Sommelier/waiter and Housekeeping

Pillehill is a well renowned restaurant, wine bar and countryside hotel that offer a homey place with comfortable beds, spacious rooms, home baked bread for breakfast and conference facilities.

Perfect for that romantic weekend getaway or smaller parties and conferences. Our motto is *"Good local food, wine to die for"*.

We have the ambition to be one of Skånes best wine destinations and we continuously develop our wine list.

In the restaurant we compose our dishes with the wines in focus and have a passion for the combination of the two.

Working as a chef or waiter here therefore means that you should have an interest in, and understanding off, wine and other beverages.

We cook with genuine methods using local products, preferably ecologically produced. Summertime as local as from our own garden. We want you and the nature to feel good!

The menu varies from season to season, and most often on a daily basis depending on what products we can get from our local suppliers. Most days we offer a three course table d'hôte (set menu) with some additional courses for allergies, children, vegan etc. An international cuisine with a Nordic touch.

You will work together with a positive and forth going team that enjoys their time at Pillehill and have short to laughter although are very professional, always looking to give the guest the best experience.

Chef

As a chef you will be encouraged to be innovative and creative. You are of course well organized and thorough in your work. You like the idea of executing your tasks freely and with own sense of responsibility. We have a small kitchen so working with limited space and without too many fancy machines enables you to show true colours as a chef.

You will work together with the head chef to set the menus and find flavours to fit with the selected wines. You will have possibilities to visit the producers/suppliers to learn more about what is offered in the region. You will also work with our kitchen garden.

We would like you to have at least 3-4 years' experience working in a similar position after finishing relevant training. You are fluent in English or Swedish speaking of course.

Seasonal employment June - August 2019, possibility to prolong
Flexible hours, about 80 – 100% with tops over 8h some days.
Individual salary, with minimum according to collective agreement (Visita)
We can assist in finding accommodation if needed

Waiter/Sommelier/Bartender

As a waiter we see it as a very strong merit if you have some education within wine and beverages, preferably as a sommelier and/or bartender. Our own sommelier will train you in our wines and is the one with main responsibility for setting the menus, but for the right person there is an opportunity to assist in this to grow within your field.

You are fast, entertaining, generous personality and can take care of our guests in a relaxed yet professional manner. On top of regular restaurant work we also expect that you can chip in with helping the hotel reception checking in and out our guests and occasionally work serving breakfast. You are fluent in English and preferably also in Swedish.
